The GARDENA Universal Hatchet 900B is a small hatchet for fire wood, garden work and trekking activities. Fiber-reinforced PA shaft makes the axe durable and robust. The axe head has a non-stick coating which gives less friction and easy entry into the wood. Soft grip for ergonomic and secure handling. Balance point close to the axe head gives perfect balance and weight distribution. Hammer function for an easy and effective use of splitting wedges (no steel wedges). GARDENA offers a warranty of 10 years for this hatchet.
